**Pipe & Drape Drapery**

We offer two varieties. The standard drapes which are one width of fabric with pockets top and bottom and "Theatrical" drape a Dazian exclusive (see details).

**Standard Drape  
Finishing  
Requirements**

These drapes are finished with a 3" pocket top and bottom unless otherwise noted in special instructions.

**Top finish:** Pockets\_3"\_\_(size)

**Bottom finish:** Pockets\_3"\_\_(size)

**Side finish:** Raw edges

Please not when determining the quantity the fullness must be considered. The standard is 50% or length X 1.5.

divided by the width of the fabric. (remember to stay in feet or inches)
